## INSURANCE

---

### THIRD-PARTY INSURANCE

Coverage of liability insurance for third party damage must cover the entire duration of the competition and the value of coverage must be in accordance with applicable regulations.

Documentation proving the insurance shall be made available to the organizer in Slovak or English language.

---

### PERSONAL MEDICAL INSURANCE

Personal medical insurance (covering accidents and sickness, including any hospital costs and transportation back to country of residence) is required for all pilots and team members.

## MANDATORY EQUIPMENT

During the competition, the glider must be equipped with:

- GNSS Flight Recorder (FR) having IGC approval,
- Anchors (if the glider will stay out),
- FLARM system.

All instruments, PDA, GPS navigators etc. must be firmly mounted in the glider in such a way that the pilot's vision is not affected.

FR calibration certificates are not required. However, to be considered by the Scorer, any calibration certificate presented must be current according to SC3 2.4.6.

## PILOT DECLARATION

The competitor is fully responsible for all personal and glider documentation and its validity. The organizer of the contest is not responsible for the incorrectly mentioned/ stated or invalid data within the pilot or sailplane documentation and shall in no event be liable for any consequences resulting from such deficiency.

Having the first competition take off, a competitor declares the understanding of the rules and local procedures for this competition.
